## TOWN OF MOULTONBORO

### TOWN WARRANT

---

To the Inhabitants of the Town of Moultonboro, in the County of Carroll, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Moultonboro School Auditorium in said Moultonboro, on Tuesday the 14th day of March 1950, at ten of the clock in the forenoon to act upon the following subjects:

- 1 To choose by ballot and major vote, a Treasurer, Clerk, Tax Collector, one or more, not exceeding three Highway Agents, three Auditors, one Selectman for three years, one Trustee of the Trust Funds for two years, one Trustee of the Trust Funds for three years, and such other officers and agents as the voters may deem necessary.
- 2 To raise and appropriate such sums of money as may be necessary to repair Highways and Bridges in said Town.
- 3 To see if the Town will vote to raise and appropriate the sum of \$649.27 for Town Road Aid.
- 4 To see if the Town will vote to raise and appropriate the sum of \$1,200. for the maintenance of the Fire Department.
- 5 To see if the Town will vote to raise and appropriate the sum of \$400. as the Town's share of the cost of Fighting Forest Fires.

## TOWN OF MOULTONBORO

---

- 6 To see if the Town will vote to raise and appropriate the sum of \$800. to supplement \$400. supplied by the owners to construct a road, approximately 800 feet in length across the Camp Winaukee property. (By request)
- 7 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
- 8 To see if the Town will vote to allow a discount on taxes paid in full up to fifteen days after the approval of the tax warrant.
- 9 To see if the Town will vote to raise and appropriate the sum of \$1,750. for the maintenance of the Public Library.
- 10 To see if the Town will vote to raise and appropriate the sum of \$1,200. for the Support of the Poor.
- 11 To see if the Town will vote to raise and appropriate the sum of \$500. to help defray the expenses of housing our resident doctor.
- 12 To see what sums of money the Town will vote to raise and appropriate for the Laconia and Higgins Hospitals.
- 13 To see if the Town will vote to raise and appropriate the sum of \$100. for the observance of Memorial Day.
- 14 To see if the Town will vote to raise and appropriate the sum of \$1,000. toward the preservation and upkeep of Town Cemeteries.

## TOWN OF MOULTONBORO

---

- 15 To see if the Town will vote to raise and appropriate the sum of \$300. for concerts provided by the Center Harbor Band.
- 16 To see if the Town will vote to raise and appropriate the sum of \$240., which is 1/100 of 1 per cent of the assessed valuation of the Town, to the Lakes Region Association, for the purpose of publicizing and promoting the natural resources of the Town, in cooperation with other towns in the Lakes Region.
- 17 To see if the Town will vote to raise and appropriate the sum of \$400. for the control of White Pine Blister Rust.
- 18 To see if the Town will vote to raise and appropriate the sum of \$500. to repair the Ferry Road. (By request)
- 19 To see what sum of money the Town will vote to raise and appropriate to oil the road from the James McIntire place to the Center Harbor town line. (By request)
- 20 To see if the Town will vote to accept the Grassy Pd. Road, and appropriate the sum of \$500. to improve the road a distance of approximately 2,000 feet. (By request)
- 21 To see what sum of money the Town will vote to raise and appropriate to oil a section of the Glidden Road from the Whittier Highway to the first rise, a distance of approximately 300 feet. (By request)
- 22 To see what sum of money the Town will vote to raise and appropriate to oil a stretch of road from the Bon Air Camps to the Breezy Corner Road, a distance of approximately 600 feet. (By request)

## TOWN OF MOULTONBORO

---

- 23 To see what sum of money the Town will vote to raise and appropriate to oil a stretch of road from the Myron Fletcher place down Redding Lane to the top of the first hill, a distance of approximately one quarter of a mile. (By request)
- 24 To see what sum of money the Town will vote to raise and appropriate to oil the road approaching the Mowry Stubb place and down to the foot of the hill by his place. (By request)
- 25 To see if the Town will vote to install a street light on the pole in front of Arthur Leach's. (By request)
- 26 To see if the Town will vote to raise and appropriate a sum of money, not to exceed \$5,000. for State Aid Construction.
- 27 To transact any other business that may legally come before said meeting.

Given under our hand and seal this 28th day of February A. D., 1950.

### Forest Fires—Our Most Shameful Waste

---

Everyone apparently fears fires but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than ninety-eight percent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU!

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

- 1 Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
- 2 Securing the required WRITTEN PERMIT from the warden when the ground is not covered with snow.

## TOWN OF MOULTONBORO

---

3 Insisting that others be careful and comply with burning requirements.

4 Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

### Report of the WAR RECORDS COMMITTEE

---

At the Town Meeting of March 11, 1947, it was voted to compile a War Record of all men and women who served in World War II from the Town of Moultonborough and to make a permanent record of same to be kept on file for reference in future years. The following committee was elected to carry out this vote: Chairman, Mary S. Brown, Nina L. Moulton and Henry Boyle.

After careful consideration the committee decided to have the records printed in book form. In order to have the records as nearly correct as possible, a questionnaire was drawn up and sent to each veteran asking for the following information:

- Name and Rank
- Serial Number
- Branch of Service
- Theatre of War
- Period of Service
- Decorations

Over a year was spent in this research work as many of our veterans had moved to other parts of the country and in some cases, two and sometimes three questionnaires were sent out before the required information could be obtained. The committee regrets that after several appeals, eight of the veterans did not reply.

## TOWN OF MOULTONBORO

---

After delaying for several months, hoping for further replies, the book was put out to the lowest bidder and 150 copies were printed.

On July 1, 1949, copies of the booklet were mailed to all veterans. Copies were also sent to Senator and Mrs. Bridges and to other interested persons and organizations. The war records have been written into the Town records by the Town Clerk. The extra copies of the booklet have been turned over to Mrs. Nina Moulton and may be obtained from her for a very small fee.

The committee is mindful that several Moultonborough men and women and many of our summer residents served from other towns and have been given proper recognition in those communities. The records printed in the booklet are of those only who designated Moultonborough as their home town when entering the service.

Just a personal word in closing, speaking for the War Records Committee, we deeply appreciate the honor and privilege of being entrusted with the compiling of these records. We have tried to make them as nearly correct as possible and sincerely hope that they may be helpful as a source of reference and information in the years to come.

Unexpended Balance Jan. 1, 1949	\$286.00
Disbursements	118.40
Balance	\$167.60

Mary S. Brown, Chairman

# School Report

---

## TOWN OF MOULTONBORO

---

### ANNUAL SCHOOL DISTRICT MEETING

Report of March 8, 1949

---

Meeting called to order by Moderator Clyde Foss, at the time and place designated in the Warrant. After reading of the Warrant, the following articles were acted upon:

- 1 To choose a Moderator for the coming year.  
Moderator for one year, Clyde Foss.
- 2 To choose a Clerk for the ensuing year.  
Clerk for the ensuing year, Horace Richardson.
- 3 To choose a Member of the School Board for the ensuing three years.  
Charlotte Ames, Freda Hayden, Charlotte Beaton and Eva Witte were the candidates. Charlotte Ames was re-elected for the position.
- 4 To choose a Treasurer for the ensuing year.  
Ralph Goodwin was chosen Treasurer for the ensuing year.
- 5 To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.  
The salaries and compensation for all officers and agents was voted to remain the same as for the preceding year.
- 6 To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.  
No reports were presented at the meeting, other than those presented in the Town Report.
- 7 To choose agents, auditors and committees in relation to any subject embraced in this Warrant.  
Donald Wright and Roger Larson were elected as Auditors for the ensuing year.

## TOWN OF MOULTONBORO

---

- 8 To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.  
The School Board read and explained the school budget as printed in the Town Report. A motion by Arthur Lamprey to limit the budget to that of last year, was defeated, after which the amount of money recommended by the School Board was voted by the meeting.
- 9 To see if the District will vote to raise and appropriate the sum of \$1,498.00 to complete payment of High School tuition, as required by law.  
The District voted to raise and appropriate the sum of \$1,498.00 to complete payment of High School tuition as requested in the Warrant.
- 10 To see if the District will vote to authorize the School Board to sell the Moultonboro Corner, Green's Corner and Middle Neck school houses, together with such land in those locations as may be found to belong to the District, at their discretion. On motion of Stuart Lamprey it was voted to authorize the School Board to sell at public auction the school houses at Moultonboro Corner, Green's Corner and Middle Neck.
- 11 To transact any other business that may legally come before the meeting.  
George Stewart, chairman of the Building Committee, reported on progress of the new school. After quite a good deal of discussion regarding the seats to be used in the new school, a motion to adjourn was voted in the affirmative at 3:45 p. m.

Horace L. Richardson

Clerk

TOWN OF MOULTONBORO

---

State of New Hampshire

**SCHOOL WARRANT**

---

**To the Inhabitants of the School District in the Town of Moultonboro, qualified to vote in District Affairs:**

You are hereby notified to meet at the Moultonboro Central School in said District on the 14th day of March 1950, at 2 o'clock in the afternoon to act upon the following subjects:

- 1 To choose a Moderator for the coming year.
- 2 To choose a Clerk for the ensuing year.
- 3 To choose a Member of the School Board for the ensuing three years.
- 4 To choose a Treasurer for the ensuing year.
- 5 To determine and appoint the salaries of School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
- 6 To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
- 7 To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

## TOWN OF MOULTONBORO

---

- 8 To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.
- 9 To see if the District will vote to raise and appropriate the sum of \$250. to construct a food storage room in the school basement. (By request)
- 10 To see if the District will vote to raise and appropriate the sum of \$2000. for necessary grading, loaming and seeding of the school yard and for the construction of necessary roads and walks around the school. (By request)

Given under our hands at said Moultonboro this 25th day of February 1950.

FRED R. EDWARDS  
ABBY S. BELDEN  
CHARLOTTE AMES  
Moultonboro School Board

### SCHOOL CALENDAR

1950 — 1951

---

Schoos Open		Schools Close
September 6, 1950	16 weeks	December 22, 1950
January 2, 1951	7 weeks	February 16, 1951
February 26, 1951	8 weeks	April 20, 1951
April 30, 1951	7 weeks	June 15, 1951

### Holidays

October 12, 1950	Columbus Day
November 23, 24, 1950	Thanksgiving
May 30, 1951	Memorial Day

Total number of school days according to above calendar is 183. The minimum allowed by state board regulations is 180. This means that days lost due to bad weather or other causes must not exceed 3. Any days missed, in excess of 3, must be made up, probably by lengthening the school term after June 15.

Time taken during the year for institutes or attendance by teachers at educational meetings, not to exceed 8 days, need not be made up.

### SCHOOL BOARD'S BUDGET

For Year 1950 — 51

Figures in the right hand column represent amounts required for the support of schools and other statutory obligations of the District for the fiscal year beginning July 1, 1950.

The first column shows the amounts voted at the 1949 District Meeting. These figures are presented here for the purpose of comparison.

	Budget 1949-50	Budget 1950-51
Salaries, District Officers	\$ 195.00	\$ 195.00
Superintendent's Salary	325.00	364.26
Per Capita Tax	292.00	324.00
Truant Officer and Census	20.00	20.00
Expenses of Administration	278.00	582.12
Teachers' Salaries	9,600.00	9,800.00
Text Books	400.00	400.00
Scholars' Supplies	350.00	350.00
Other Expenses of Instruction	110.00	110.00
Janitor Service	1,200.00	2,000.00
Fuel	2,000.00	2,000.00
Janitor's Supplies	500.00	800.00
Minor repairs, expenses	100.00	400.00
Medical Inspection	700.00	800.00
Transportation	9,919.00	9,802.00
Tuition	8,600.00	12,250.00
Spec. Activities lunch program	760.00	1,240.00
Other	140.00	140.00
Retirement	361.00	367.00
Insurance	1,050.00	550.00
Alterations		200.00
New Equipment	400.00	400.00
Principal on Debt	5,000.00	5,000.00
Interest on Debt	2,375.00	2,250.00
Contingency Fund		1,000.00
 TOTALS	 \$44,675.00	 \$51,344.38

## TOWN OF MOULTONBORO

### REPORT OF THE SCHOOL NURSE

October Through December, 1949

---

Physical examinations by physician — 113

Defects found—

Teeth .....	44
Enlarged Tonsils .....	8
Tonsilectomy advised .....	3
Vision .....	7
Heart .....	1
Speech .....	6
Visits to School .....	15
Home Visits .....	22

It is rather early to list the correction of defects but the response of the parents and the apparent desire to cooperate is notable.

The number of dental caries is high, some of which have probably been checked by the fluoride treatment, but the need for continued dental care is emphasized.

At the moment, chicken pox is rampant, none of the children being too sick.

Too much cannot be said of the advantage to the health program afforded by the centralized school building. Privacy for the physical examinations, individual testings and inspections is of great advantage and tends to more efficient work.

The hot lunch, planned and served as it is, calls for very special comment.

## TOWN OF MOULTONBORO

---

In October the routine inspections of all children were made and instruction in hygiene was given at this time.

New scales with a measuring device for heights have been purchased by the committee.

I appreciate the patience and help received from all.

Respectfully submitted,

ANN WALKER, R. N.

### SUPERINTENDENT'S REPORT

---

#### School Marks and Promotions

About fifty years ago in the rural schools of America, each pupil learned at his own rate. Children were not designated as first graders, third graders, eighth graders, etc. Nine years was generally allowed for the courses in the elementary grades; but with the short terms of school at that time, many attended more than nine years.

In the city schools, pupils generally were grouped according to grade. Text books were written for the first grade, for the third grade, etc. Gradually this practice spread into the rural schools also, so pupils were enrolled in the register as being classified by grades. Promotions from grade to grade used to be based upon marks in various subjects. The length of the elementary school course was shortened to eight years.

For a long time teachers have realized that each pupil is different from every other pupil and that any group of pupils in one grade shows wide variations in achievement, attitude and maturity. Giving to all school marks on a percentage basis assumes that they are alike and that the difference is in effort. Since this is a false assumption, we have often questioned whether or not marks should ever have been given and whether our present system of grading and promotion is at all justifiable.

This year we are making a start in the direction of eliminating marks and promotions. For the present, this change affects only the primary grades. The proposal is to have each pupil progress at his own

## TOWN OF MOULTONBORO

---

rate through work hitherto covered in the first three grades. Most pupils may be able to complete this work in three years; some may take four; occasionally a child can complete it in two. Parents can be kept informed by letters and through conferences with the teacher as to the progress which their children are making. It is hoped that this plan will contribute toward more natural growth for each child and that it will eliminate many tearful occasions caused by non-promotion or by comparing one pupil's work with another's. Whether or not it is practical to continue this new plan through the entire elementary years is a question. If it proves to be successful on the primary level after two or three years of trial, it may be desirable to continue the plan through the sixth grade at that time.

### Improvement of Teachers in Service

It is definitely recommended that every five years each teacher shall devote one summer to advanced study in connection with her work, or shall complete an equivalent number of extension courses. The state board has also encouraged teachers to devote time during the year to improvement of their methods by stating that schools may be closed for this purpose for not more than eight days during any school year. In April of 1949, schools in this supervisory union were closed for one week and all teachers were privileged to attend a workshop on the subject of conservation education. This workshop was held in Meredith and was guided by members of the faculty at Plymouth Teachers College, members of the state department of education, and a number of capable experts in the fields of soil conservation, forestry and water resources. The purpose of these sessions was to emphasize to the teachers the necessity on the part of all citizens to guard our nation's bank account of natural resources so the future generations will not find the soil, forests and water supply insufficient. The teachers who attended seemed very enthusiastic

## TOWN OF MOULTONBORO

---

as to the practical nature of the course in this week's workshop. Plans formulated from this workshop are being carried out in the schools, both in the elementary grades and on the high school level.

School boards of the union have indicated their approval of the workshop plan and voted to continue this type of teacher training in the future.

### Tuition Pupils

Since the increase in tuition costs is one of the conspicuous factors in next year's budget, an analysis of this year's expenses for tuition is here reported in detail.

School	Number	Cost
Meredith .....	28 @ \$200.....	\$5,600
Laconia .....	5 @ \$195.....	\$ 975
Quimby .....	5 @ \$100.....	\$ 500
Brewster .....	3 @ \$150.....	\$ 450

Due to the fact that pupils sometimes leave during the year and others enter, the totals given here are only approximate. Under the state law, our district is obliged to pay tuition for high school pupils up to the limit determined by the average per pupil cost for high school education throughout the state. The average for the present year is \$233.46. At the present time none of the schools are charging the total which the law allows. The average cost for next year cannot yet be determined but indications are it will be somewhat larger than the present. The tuition estimated for next year is based upon the expectation of 49 pupils attending high school, assuming that the average per pupil cost will be \$250.

Most of Moultonboro's pupils are attending high school in Meredith as tuition pupils. The crowded condition of Meredith schools makes it imperative that more room be provided in the near future for classes

## TOWN OF MOULTONBORO

---

there. Among other proposals, it has been suggested that Meredith close its doors to all tuition pupils in view of the crowded situation. If such a radical step were taken, where could Moultonboro pupils go?

One plan by which such a situation could be avoided would be for Meredith, Center Harbor and Moultonboro to unite as a cooperative district. Such a plan of fiscal cooperation is permitted under present state law. Under this plan, Moultonboro, Center Harbor and Meredith would become one school district, as far as high school education is concerned. Moultonboro would no longer pay tuition to Meredith, but would share in the cost of buildings, maintenance and instruction, as well as having representatives on the school board to employ the teachers and administer the school.

I believe a still better solution to the problem can be found, if Meredith and Ashland can combine their financial resources, together with Moultonboro and other nearby districts, to establish a new cooperative high school.

Committees in Meredith and Ashland are still studying the possibility of this plan. If such an institution could become a reality, it would go far toward providing the services that should meet the needs of our pupils ten or twenty years hence. The trend throughout the nation today is away from the small high schools that served us so well in the horse and buggy days. In New York state and in the Middle West, where the experiment of the larger district has been tried, people are well pleased with the results. Certainly some means should be found so children might have as good an opportunity for an education in New Hampshire as in other parts of the country.

Respectfully submitted.

ALMON W. BUSHNELL  
Superintendent

## TOWN OF MOULTONBORO

---

### PRINCIPAL'S REPORT

#### Moultonboro Central School

---

After a slow start, due to unforeseen delays in the opening of the new building, school in Moultonboro is beginning to run on a more even keel, with many problems settled and the future looking bright for the young people of the town, in spite of other problems yet to be taken care of.

Moultonobro is to be congratulated—as it has been by many in the field of education throughout the state, for the interest it has shown in its young people in providing them with the wonderful facilities of this new building, and more than that, its continued interest in the progress and development of the school program. It takes more than a building to make a school, and most of them have shown that they believe it.

Many organizations and individuals have helped in many ways, so that the school now has an auditorium that is completely outfitted for basketball with bleachers and electric scoreboard, a library with much fine reference material and many fine reading books, a liquid duplicator, an electric clock for each classroom, a beautiful lounge chair for the faculty room, a piano for use in each classroom and the auditorium, and the promise of more things in the near future.

All of this interest from outside the school has proved an incentive and inspiration for those within the school. The cooperation of teachers and pupils has been wonderful. Attendance was very good until the chicken pox made it quite spotty through the latter part of January and the first of February. Attendance on the Saturday make-up days was especially good. Seven days have been made up of the ten necessary, and if the

## TOWN OF MOULTONBORO

---

slate remains clean as far as inclement weather is concerned, all the time lost in the delayed opening of school should be made up by the end of the April vacation.

There have been a few changes in the school curriculum thus far this year with definite plans made for further improvement and the addition of new activities.

Manual Training and Home Economics for both boys and girls have gotten a small start and should go far with some of the basement space put to use.

The music program is in the process of development. More than a dozen young people are taking piano lessons in the school auditorium during school time. A record fund has been set up so that teachers may purchase and play records for instructional purposes as well as for music appreciation and recreation.

Physical education, including classes in Health and First Aid, has progressed to some extent. The combination auditorium-gymnasium has made it possible to give physical training to either boys or girls of the four upper grades every day in the week. Basketball, volleyball, badminton and gymnastics are indoor sports that are of interest in season. The outdoor program will depend a great deal on the extent of the grading.

A more thorough physical examination with periodic check-ups has been initiated this year so that parents, teachers and pupils may all feel more at ease.

Conservation and Science are subjects that are being given more and more consideration, with outdoor activity and field trips playing an important part in the near future.

The hot lunch program has run smoothly and efficiently under the supervision of Mrs. Eleanor Tilton, though there are problems to be faced another year in

## TOWN OF MOULTONBORO

---

regards to a larger sink, more storage space in the kitchen, protection for the supplies in the basement, trays for the children, and perhaps a system whereby all grades may eat together and learn the fundamentals of social etiquette. Girls and boys have been working in the kitchen, learning how to prepare the excellent meals that they later help to serve to an average of 110 pupils each day.

Where do we go from here? What are our future needs? The school goes only as far as the citizens of Moultonboro take it, and the needs of the school are the needs of the children themselves. What does your child need? But if Moultonboro continues to show the interest and give the support it has thus far to its new school, the future looks bright for its young people.

Respectfully submitted,

ROBERT F. POTTLE

Principal
